

All of us at the Farrell Foundation wish each of you a joyous
Holiday Season and the best in the coming year!

May the spirit of the holidays bring an abundance of goodwill to you and your home.

A Message From Our Board President:

Farrell Foundation Board
President Andrew Mangels

Generosity is the most natural outward expression of an inner attitude of compassion and loving kindness. - TH Dalai Lama

The Farrell Foundation is incredibly grateful for the generosity of so many individuals and organizations that allow us to serve people with dementia/Alzheimer's. Without the support of Community West Foundation, Ohio Arts Council, Cuyahoga Arts & Culture, Three Arches Foundation, Cleveland West Road Runner and the Lakewood Elks, we simply couldn't do what we do.

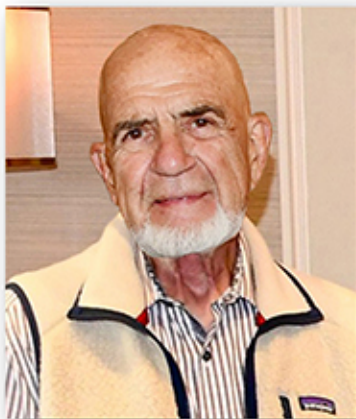

While funding from these organizations is critical, our annual Gala was extremely successful thanks to the generosity of those that purchased tickets and bid on some really wonderful donated items. With the help of our special host Lindsay Buckingham from WKYC Channel 3 and our Gala Committee, we had an incredible event that raised \$42,000.

Even with the tremendous support from other groups and an annual fundraiser, it is the hundreds of individual donors that make the difference. We are so grateful for the love and support of so many people who recognize the importance of what the Farrell Foundation is doing and the impact we are making.

As the Farrell Foundation continues to serve more and more people, we thank you all so much for your generosity.

Sincerely, *Andrew Mangels*

A Holiday Message from Dr. Charlie:

Dr. Charlie Farrell
Foundation Co-Founder,
Board Member

Holidays are a time to be thankful for the past and to look forward to what the future may bring. Well this year, it could be wonderful!

For me, living with my friend Mr. Alzheimer for the last two years has been challenging to say the least. But now that Luise and I are married, we are confident that we will meet this challenge together and with your support and that of the Foundation, we will "Live Well With Dementia".

All of us with dementia can look forward to a future of dignity and choice. The Foundation will teach us how to communicate emotionally through the arts and socialization. We now have a place to go where participants may not know our name, but everyone knows who we are.

The Foundation has had its best economic year and recognition. We have been supported by a multitude of funders in Cleveland, Ohio and recently conducted a virtual interview with an organization in London, England!

The Foundation is truly a community resource. The community supports the Foundation and we help the community by providing a place to socialize and to be creative at no cost.

Please consider a donation, tell your friends and family that are touched by dementia who we are and what we do. Invite them to use our services so that they too can live well with dementia. Our best wishes to you at the holidays.

Charlie Farrell

Volunteer Spotlight: Marilyn Krock

Marilyn Krock brings her charm and smile to every program she volunteers at throughout the week. For the last two years, she has been a dedicated and enthusiastic volunteer. The Foundation deeply appreciates her commitment and interest in the work of the Foundation as she interacts and touches each life.

Marilyn is a retired Westlake teacher, wife of Richard, mom and grandmother. She keeps everyone especially sweet with the wonderful recipes she shares and provides weekly for all to enjoy. Everyone wants her special recipes!

Here's Marilyn's thoughts: "I enjoy being a volunteer at Farrell Foundation. The activities we offer to our participants are creative, stimulating, and fun for EVERYONE. The smiles and laughter are rich rewards to me each day I volunteer. I hope that I am able to bring a bit of comfort, relaxation, and joy to each person who enters our door. I love the genuine spirit of family, caring, and empathy between staff, participants, family members, & volunteers. The Farrell Foundation is an amazing place!"

Our Thoughts About the Farrell Foundation...

The Farrell Foundation has been such a blessing to my husband Richard and I. My husband wakes up and is so excited on the days that he knows he is going to the Center. He smiles brighter and has a lil' pep in his step.

He so enjoys the companionship and fun projects that he does. We have our own art wall and our grandkids love seeing what grandpa has made!! We sometimes do the projects with them!

When he has been at the Center, he is absolutely joyful. We cannot thank the Farrell Foundation, the volunteers and the many friends that have brought this wonderful place into our lives and provides such joy to so many.

Thank you from the bottom of our hearts,

Richard & Gayle Ramsey

Richard with Jackie Lamoreau,
Professional Care Provider

The Farrell Foundation Mission:

To empower, engage, and educate individuals, care partners, and families living with dementia or other brain health issues to live a more fulfilling life through the arts, social interaction, and community outreach.
